Early voting for the May 4 Local Election begins Monday, April 22.

Early voting locations West of the Brazos will be at the Brazoria Library located at 620 S. Brooks in Brazoria, the Sweney Community Center located at 205 W. Ashley Wilson Rd. in Sweney and the Brazoria County Precinct 4 Building 2 located at 121 N. 109 St. in West Columbia.

Each early voting location will be open on the following schedule:
- Monday, April 22 – Friday, April 26 – 8 a.m. – 5 p.m.
- Saturday, April 27 – 7 a.m. – 7 p.m.
- Sunday, April 28 – Closed.
- Monday, April 29 – Tuesday, April 30 – 7 a.m. – 7 p.m.

This year a area West of the Brazos will decide whether to create Emergency Services District No. 6. The area encompasses the municipalities of Brazoria and Jones Creek, along with the surrounding territory not currently covered by an emergency district for ambulance service. Emergency Services District No. 6 would cover the 250-square mile area that goes south of Emergence Services District No. 1 coverage area in West Columbia and north of the City of Freeport’s extraterritorial jurisdiction between the San Bernard and Brazos Rivers. This is the only area in the county that is not currently covered by an ESD or hospital district.

Both Brazoria and Jones Creek have service agreements with Sweney Community Hospital to provide 911 ambulance service, which is called West Brazos EMS. These agreements are usually reviewed in October. Sweney has been just in time for hurricane preparation for a future bond issue that will be voted on at the next meeting of the C-BISD school board in May.

The Brazoria County Emergency Services District No. 6 was formed in October. Sweney and Jones Creek are to come together and the group will primarily be the Brazoria County Hospital to provide information to the community in Brazoria County.

The West Brazos EMS ambulance is stationed in Brazoria and responds to calls in both Brazoria and in Jones Creek.

West Brazos EMS is operating at a loss of around $500,000 per year for the past two years providing service. Sweney, Jones Creek and the unincorporated areas surrounding those cities.

That annual loss prompted all the entities involved to come together and the idea of an emergency services district came to be.

Creation of an ESD would mean a new tax for those living within its boundaries. Any ballot language would allow for

JESUS PRAYED FOR YOU

Likely you have never considered the fact that Jesus Christ prayed for you, but John 17:29 says, "Neither do I pray for these alone, but also for them which believe on me through their [the apostle’s] words." The next meeting of the council regular meeting will be held on the second Monday of each month at 6 p.m. in the council chambers.

The council set the date of Tuesday, April 23 at 6 p.m. for the May 4 election. The council may also set a secondary election. The council’s regular meeting, one week earlier than nor- mal.

They also voted to re- ceive the bid for the financing structure for utility billing. It was not known how much is in the budget for this project, but it will be used in the future.

Longtime resident Neal Beiss said that the amount shown for the taxes was not correct. The City Council held a meeting to vote on tax levies, but the vote was not clear.
